Futron Corporation - Space Resource Center

The screenshot shows the Futron Space Resource Center homepage. At the top, there is a navigation bar with the Futron logo (Celebrating 20 Years) and a search box. The main heading is "Welcome to Futron's Space Resource Center". Below this, there is a paragraph of introductory text. A callout box points to a link in the text: "Click here for a list of previous Friends of Futron Reports, or click here to join our mailing list and receive these reports as they are published via email." Another callout box points to a link in the "Space Tourism Report" section: "Download Full Report — Orbital & Suborbital (2.2 MB, 79 pages)". At the bottom, there is a "Publications" section with a table of recent documents.

Become a Friend of Futron

"Friends of Futron" is a free subscription service designed to keep our clients and colleagues informed of recent trends in the space industry. Subscribers receive monthly updates in each of four subject areas:

- The [Futron Satellite Regulatory Report](#) tracks selected satellite-related regulatory activity during the previous month derived from Futron's satellite regulatory subscription service, [FCCFilings.com](#).
- The [Futron Launch Report](#) tracks worldwide orbital launch events by launch vehicle and by country, and shows launch successes, failures, and whether the launch was commercial or noncommercial.
- The [Futron Satellite Manufacturing Report](#) tracks geostationary, non-geostationary, commercial and noncommercial satellites launched during the previous month by satellite manufacturer.
- The [Futron Satellite Telecommunications Report](#) tracks the number, type, and service of worldwide commercial geostationary satellite transponders launched during the previous month.

On the first Wednesday of each month, subscribers receive an e-mail with links to each of the latest reports. In addition, subscribers receive periodic notices of new white papers released by Futron. You will also be notified of the latest updates on Futron's news and happenings.
